

NEEDED FOR THE ARCHIVES

These are programmes and photos I need to help make the CLT Archives as comprehensive as possible up to beginning of 2020: PROGRAMMES on Page 1 PHOTOS on Page 2 & 3

If anyone can help with these I would be very grateful. Should people be happy to part with them I can include them in the hard copy section of the Archives. If not, I would like to borrow them so I can scan and include them in the full electronic Archive and also the electronic Archives we show in the Rondo foyer. If anyone can help, please contact me - email: narelles43@gmail.com – and we can arrange a way for me to collect them.

Thanks everyone. Narelle Shorey
